

# KTCC Welcome Cards

---

Remember when you got your first back pack? It's always a special moment when you get something that is just for you. Imagine how surprised a student in Africa will be when they receive their new book bag and open it to find a colorfully designed welcome card that is signed by you!

## What do we write?

We are preparing for Summer Camp and will be giving the cards to the children attending camp. Keep the message simple but positive. These children may never have gone to camp before and are afraid and nervous about leaving home. Think about what you would like to have on a card when you were going somewhere for the first time and you were frightened.

## Be creative!

You are the designer so remember to make the card colorful and cheerful. Feel free to use colored paper, pens, stickers, stamps and whatever you feel will make your card unique and special. We have written an insert piece that is to be glued in the inside of the card. Remember to sign the card so that it is personalized. Please use your first name only.

Everyone likes to feel special and welcome. Your card will brighten the day for some child and make them feel important and loved.

Send finished cards to: Kids That Care Club, 1042 Lewis Street, Santa Clara, CA 95050.

# KTCC Welcome Card Templates

---

Welcome cards are easy to make. You can use the template on the following page or make your own. The finished card should be no larger than 5" x 7" to fit into our envelopes. Colored construction paper and card stock work well for these cards.

As French is the spoken language in the Cong, we have written the insert piece to welcome the children to camp in French. The first week of camp will be for impoverished girls that live in the rural community. The second week of camp will be for Deaf children. If you have a special message that you would like to place in the inside of the card, please keep the message pleasant and welcoming. Remember to sign the card with your first name.

**Bienvenue au Camp d'été !**

**J'espère que vous apprécierez de Camp et avez beaucoup de plaisir. J'habite loin en Amérique. J'aime l'école, parce que j'apprends de nouvelles choses et faire de nouveaux amis. J'espère que vous faire beaucoup de nouveaux amis aussi.**

**Votre ami en Amérique,**

## **Translation:**

**"Welcome to Summer Camp!**

**I hope you enjoy Camp and have a lot of fun. I live far away in America. I like school because I learn new things and make new friends. I hope you make many new friends too.**

**Your friend in America, "**

**Print out this insert piece and glue on the right side, inside the welcome card.**
